the tear off postcard.

For further information
on the meetings please
call on either:

Tel 028 9442 6771 / 73 / 56

Nitrates and Phosphorus Regulations Information Meetings

Helping Farmers and Growers Comply with
the Nitrates and Phosphorus Regulations

This meeting will help you to understand:

- The key requirements contained within the regulations which include;
 - Livestock manure nitrogen limit per hectare
 - Closed period for slurry spreading
 - Slurry storage requirement of 22 or 26 weeks
 - Restrictions on Nitrogen and Phosphorus chemical fertiliser use
- How these regulations could affect your farm business;
- Record keeping.

If you haven't already received an invitation please complete and return the tear off postcard to book your place.
