

DOE SECTION 75 EQUALITY OF OPPORTUNITY SCREENING ANALYSIS FORM

Section 1

Background

The Legal Background

Under section 75 of the Northern Ireland Act 1998, the Department is required to have due regard to the need to promote equality of opportunity:

- between persons of different religious belief, political opinion, racial group, age, marital status or sexual orientation;
- between men and women generally;
- between persons with a disability and persons without; and
- between persons with dependants and persons without.

The main groups within each of the nine categories, highlighted above, are identified at Appendix 1.

In addition, without prejudice to its obligations above, the Department is also required, in carrying out its functions relating to Northern Ireland, to have regard to the desirability of promoting good relations between persons of different religious beliefs, political opinion or racial group.

2.1 Please insert below a brief description of the policy/legislation, including the title and all the main aims and objectives

Title **Consultation Document on Guidance on the interpretation of the definition of waste**

Aims **The purpose of the draft guidance is to advise on existing and binding ECJ case law on the definition of waste and to help ensure that the right decision about the classification of a substance as waste is taken in a relatively small number of more difficult cases.**

It is essential that all the aims/objectives of the policy be clearly and fully defined.

2.2 On whom will the policies/legislation impact? Please specify

The policy will impact on anyone involved with waste. However, the draft guidance in itself will not impose or reduce costs on businesses or the public sector in Northern Ireland.

2.3 Who is responsible for (a) devising and (b) delivering the policy, eg is it DOE, a Whitehall Department or EU? What is the relationship and have they considered this issue and any equality issues?

(a) The draft guidance is issued jointly by the Department for Environment, Food and Rural Affairs, the Welsh Assembly Government, the Department of the Environment in NI, the Environment Agency and the NI Environment Agency.

(b) As (a) above.

Section 4

EQIA Recommendation

4.1 Full EQIA procedures should be carried out on policies considered to have significant implications for equality of opportunity. Please fill in the following grid in relation to the policy/legislation.

I do not think this should be subject to a full EQIA. There is not evidence to suggest that one section 75 group will be affected more than another and the policy will have a low impact on the prioritisation factors listed in section 4

- 4.3 If an EQIA is considered necessary please comment on the priority and timing in light of the factors in table 4.1.**
