

Table 1: Summary of Water Service WWTWs Compliance with Registered Discharge Standards (2002-2006) and Northern Ireland Water (NIW) Water Order Consents (2007) for works with a PE greater than 249

	2002	2003	2004	2005	2006	2007
Number of WWTW discharges on the Public Register	270	274	276	279	287	266
Number of discharges with numeric standards	249	254	256	259	265	243
Number of discharges complying with numeric standards	165	171	197	207	234	212
Percentage of discharges complying with numeric standards	66%	67%	77%	80%	88%	87%
Number of discharges with descriptive standards	21	20	20	20	22	23
Number of discharges complying with descriptive standards	21	20	20	20	7	11
Percentage of discharges complying with descriptive standards	100%	100%	100%	100%	32%	48%
Total number of compliant WWTWs	186	191	217	227	241	223
Overall compliance with discharge standards	69%	70%	80%	82%	84%	84%

Table 2: Numeric Compliance for UWWT Directive WWTWs 2002-2007

YEAR	2002	2003	2004	2005	2006	2007
Number of NIW discharges	35	35	35	34	77	79
Percentage compliance	46%	60%	43%	62%	77%	86%

Table 3: Compliance for UWWT Directive WWTWs Discharging to Sensitive Areas 2002-2007

YEAR	2002	2003	2004	2005	2006	2007
Number of discharges	14	14	14	16	16	16
Percentage compliance	60%	79%	29%	75%	81%	88%

Table 4: Summary of WTWs Compliance against Registered Standards (2002-2006), and Water Order consent in 2007

	2002	2003	2004	2005	2006	2007*
Number of WTW discharges monitored	26	27	30	28	31	26
Percentage of WTW discharges complying	50%	44%	40%	43%	38%	50%

*In 2007 compliance was assessed against the number of consents and not the number of discharges.
