

The Water Detectives and Water For Life Project

Water Environment Community Award Winner
Causeway Coast and Glens Heritage Trust

'To raise awareness of the unique qualities of the natural, built and cultural heritage of the Causeway Coast and Glens area including the Antrim Coast and Glens, The Causeway Coast and the Binevenagh Areas of Outstanding Natural Beauty: Promoting environmental management and sustainable development that aims to conserve and enhance the unique heritage of the area for the benefit of all.'

CAUSEWAY COAST & GLENS
HERITAGE TRUST

Who are we?

- Established in May 2002 as the Causeway Initiative to develop management plans for the protection of 3 AONBs
- Partnership body maintaining strong links with various organisations including NIEA, NITB and Council's within the area
- Work on projects that promote and enhance the protected landscape to enjoy for future generations to come

CAUSEWAY COAST & GLENS
HERITAGE TRUST

CAUSEWAY COAST & GLENS
HERITAGE TRUST

- We work on a number of projects within the region. These include:
 - *Landscape Partnership Scheme* for the ACGAONB
 - *EU Charter for Sustainable Tourism* in Protected Areas
 - *Causeway Coastal Route* Project
 - Review and implementation of *the Giant's Causeway and Causeway Coast World Heritage Site* Management Plan
 - Delivery of 3 X 5 year *Action Plans for each AONB*
 - *Causeway Coastal Route Alive* Project
 - Various *raising awareness/environmental education* campaigns of the protected landscape
