How to apply

To apply to surrender a site licence you must fill in this application form, which we have designed to be as straightforward as possible. It asks for the information we need to decide whether the licence can be surrendered. If you fill in the form accurately, it will help us deal with the application more quickly.

Please discuss your proposals with us before completing this application form.

When you make your application, please make sure you

1. Answer all the questions. If you leave anything out, we will have to get in touch with you for the information.

If any of the questions do not apply to you, please write 'not applicable'

2. Send the correct fee with your application form.

5 The site

Risk Assessment

You will need to carry out a risk assessment to demonstrate that the condition of the land (that condition being the result of its use for the treatment, keeping or disposal of waste) is unlikely to cause pollution of the environment or human to human health.

Please provide information about

- Hazards arising from the contaminants present at the site
- All receptors on and off site that could be affected by the hazards
- Pathways/transport mechanism by which the hazards could impact on receptors
- Potential consequences on the receptors

5.1 Has a site investigation survey been carried out?

A site investigation is normally needed to support your application. This will involve the analysis of samples taken in sufficient numbers and at such locations to provide a reliable indication of the condition of the land, in particular, of the locations where contaminants are likely to be present in high concentrations.

No *please say why not, and include any supporting evidence. (continue on separate sheets if necessary)*

The site *continued*

Yes *please enclose a copy of the site investigation survey*

This should show

- How many samples were taken, and from where
- The results of analysis of all samples taken

Where you have information about and evidence of pollution caused by non-waste activities on the site please include it as part of this application. This may enable us to discount these sources when we assess this surrender application.

6. Further information

6.1 Please give any further information the applicant would like us to take into account for this application.

Continue on separate sheets if you need to.

7 Checklist

7.1 Please check to confirm inclusion of the following documents

- Completed application form
- Continuation sheets numbered and cross-referenced to the question they apply to, and signed and dated by the applicant
- Map or plan of site
- Application fee payable to the 'Department of the Environment'
- Risk assessment
- Site investigation survey

7.2 Please list below any other relevant documents included with this application.

Continue on separate sheets if you need to.
