

**ACTIONS FROM PREVIOUS MEETING
(28th October 2008)**

Eileen Mallon -Neagh Bann Catchment Officer

ACTION 1: EM to collate responses regarding disposal of fallen animals and agree a course of action.

Discussion – the problem & solutions

- What size is the problem?
- Why is it happening?
- Can we prevent it?
- Who should be responsible?

Ideas for the way ahead

- Summit paper to WFD Implementation Working Group
Options - Lead authority, extension of National Fallen Stock Scheme, Others?

ACTION 2: EM to forward link to Strategic Flood Maps to attendees.

Link circulated with draft minutes.

www.riversagency.ni.gov.uk/index/stategic-flood-maps.htm

ACTION 3: EM to circulate response from Planning Service regarding development on floodplains.

Response provided by Planning Service – circulated to the group regarding (PPS) 15: Planning and Flood Risk (June 2006).

PPS 15 - Aims to avoid, wherever possible, development that may be at risk from flooding or that itself may increase the risk to flooding elsewhere.

ACTION 4: IN & EM to organise meeting to discuss Ballygawley road project with interested stakeholders

A number of meetings have been held with UAF, local anglers, NIEA, Lagan Ferrovial, Road Service.

Lagan Ferrovial, UAF and a local angler also completed site visits.

Our aim is to protect, conserve and promote our natural and built environment for the benefit of present and future generations.
