## **SECTION 2: CHARGES IN RESPECT OF REGISTRATION OF EXEMPTIONS, WASTE CARRIERS AND WASTE BROKERS.**

### **REGISTRATION OF EXEMPTIONS UNDER PART 1 OF SCHEDULE 2 OF THE WML REGULATIONS (NI) 2003**

2.1 Part 1 of Schedule 2 of the WML Regulations lists those activities which are exempted under regulation 17 of the Regulations. Exemptions are only effective when the activity fully meets regulation 17 and, where applicable, regulations 18 to 20. One of the conditions of registration as exempt is that a registration charge is paid when making the application. When making an application to register an exemption, the establishment or undertaking will be required to pay an annual fee or a three yearly fee, depending on the nature of the waste activity, in respect of each place where the exempt activity is carried on. Appendix 1 Table 7 sets out the charges for registration and the annual/three-yearly charge.

2.2 In Table 1, exempt activities which are listed as having no annual or three-yearly fee do not require to formally register with the Department.

### **CHARGES FOR CARRIER APPLICATIONS, BROKER APPLICATIONS, RENEWAL APPLICATIONS AND JOINT CARRIER/BROKER APPLICATIONS**

#### **Controlled Waste Carrier Applications**

2.3 Regulation 4(8) of the Controlled Waste (Registration of Carriers and Seizure of Vehicles) Regulations (NI) 1999 makes provision for charges in respect of a person as a carrier of controlled waste. A charge is also prescribed for the three yearly renewal of a waste carrier registration. The charges payable in respect of a carrier application and a carrier renewal application are shown in Appendix 1, Table 8.

2.4 If a registered carrier wishes to apply to the Department to also be registered as a waste broker, as shown in Appendix 1, Table 8.

#### **Controlled Waste Broker Application**

2.5 Paragraph 3(10) of schedule 4 of the WML Regulations makes provision for charges in respect to the registration of a person as a broker of controlled waste. A charge is also prescribed for the three-yearly renewal of a waste broker registration. The charge payable in respect of a broker application and broker renewal application are shown in Appendix 1, Table 8.

2.6 If a registered broker wishes to apply to the Department to also be registered as a waste carrier, the charge is shown in Appendix 1, Table 8.

#### **Joint Carrier/Broker Application**

2.7 The Department has a combined application form for a carrier and/or broker registration. If a person wishes to apply to become a registered carrier and broker they may do so using the same form. Similarly if the person wishes to renew their carrier and broker registration, they may do so using the same form as shown in Appendix 1, Table 8.

## 1. In this table –

“Licence” means a Site Licence which authorises, or which if granted or modified in accordance with the application will authorise, the disposal of controlled waste; and

“incinerator” means an incinerator which is an exempt incinerator for the purposes of Section 5.1 of Schedule 1 to the Industrial Pollution Control (Prescribed Processes and Substances) Regulations (NI) 1998 or Section 5.1 of Schedule 1 of the Pollution Prevention and Control Regulations (NI) 2003.

“amount of waste” in Part A means the maximum annual amount in tonnes of waste which under the Licence:

- (a) may be received at the site for disposal; or
- (b) may be disposed of at the site where it was produced.

“amount of waste” in Part B means the maximum annual amount in kilogrammes of waste which under the Licence may be fed into the incinerator per hour.

## 2. In Part A column (4) (the subsistence charge) does not apply where:

- (a) the Licence has been revoked under Article 15 (6) of the 1997 Order in so far as it authorises the disposal of controlled waste subject to requirements which continue to bind the Licence holder; or
- (b) post closure inspections in respect of the entire site began before the commencement of the financial year immediately preceding the financial year to which the charge relates.

This table has the following parts

<b>Part</b>	<b>Activity Authorised by Licence</b>
<b>Part A</b>	The disposal of Waste other than burning in an incinerator.
<b>Part B</b>	The disposal of Waste by burning in an incinerator.
