Bush and Glens Catchment Stakeholder Group

Action Point Updates from Autumn 2009 meeting

The Coastal Zone, Portrush

Devina Park – Bush & Glens Catchment Management Officer

3.1 Confirm average response times to pollution incidents reported through the Water Pollution Hotline.

NIEA will respond to 90% of incidents as follows:

Severity of Incident	Response Time (if report received during standard working hours)	Response Time (if report received outside standard working hours)
High	2 hours	4 hours
Medium	2 hours	4 hours
Low	Within 1 working day	

Statistics relating to water pollution are available:

Water Pollution Incidents and Enforcement 2008

Water Pollution Incidents and Enforcement, 2008

Annual Report

NIEA Northern Ireland
Environment
Agency
www.ni-environment.gov.uk

3.3 Raise importance of feedback to the reporters of incidents of pollution with staff

4.5 Hold a meeting with North Antrim Angling Association, DCAL and Rivers Agency to discuss the Bush Local Management Area plans and weed management trial in spring 2010

- Meeting held 20th April 2010 at Bush Salmon Station

Our aim is to protect, conserve
and promote our natural and built
environment for the benefit of
present and future generations.
