

# Carlingford and Mourne Catchment Stakeholder Group

Action Point Updates from Autumn 2008 meeting  
*WIN Business Park, Newry 25.11.2008*

Helen Nutt – NERBD Catchment Officer

1. All to contact Eileen Mallon or Helen Nutt with agenda items, suggested speakers etc. for future meetings.

*Ongoing*

2. Dymphna Gallagher to investigate water supply disruption in the Cloghanrammer Road area and report back to George Berry.

*Update from NIW to be provided at meeting*

- 2.1 NIW CSG group members (Dymphna Gallagher/ Michael McKernan/ Colin McLoughlin) to ensure interested local stakeholders are provided with the opportunity to be involved in consultation process regarding NIW works in the Newcastle area.

*Update from NIW to be provided at meeting*

2.2 Helen Nutt to raise concerns regarding Bathing Water season and related monitoring with NIEA colleagues.

***Issue has been raised with NIEA and PEPG***

2.3 Catherine Bertrand to provide details of biodiversity stakeholder forum to Dymphna Gallagher.

***Completed***

2.4 Mark Livingstone to contact Down District Council to seek their position on the location of the proposed storm tanks in Newcastle.

***Decision on location of tanks not yet made by NIW***

2.5 Helen Nutt to investigate communication links between NIEA, Planning Service and NIW regarding Newcastle planning, environment and water quality issues.

***Formal communication links are in existence***

- 3.1 NIEA to organize RBMP information days to discuss the dRBMP's with a subgroup of the CSG.  
***6 Info Days have been held across NI. Opportunity at meeting to provide feedback to dRBMP Consultation***
  
4. All with specific examples of local water management issues to contact pollution hotline (0800 807060) or catchment officers (Eileen Mallon or Helen Nutt) so they can be addressed.  
***Ongoing***
  
5. Eileen Mallon and Helen Nutt to arrange suitable venue, encourage key players to become involved and invite all in attendance to Spring meeting.  
***Ongoing: EM and HN regularly review invitation list***

Our aim is to protect, conserve  
and promote our natural and built  
environment for the benefit of  
present and future generations.
