#SEAGOE	Medium	Oct-08
STEWARTSTOWN	Medium	Dec-07
STRANGFORD	Low	Apr-07
TANDRAGEE	High	Apr-07
WHITEHEAD / ISLANDMAGEE	Low	May-07

# - denotes new **WWTW** to be constructed and operated as a Public Private Partnership (PPP) Scheme

\* - new WWTW has been constructed at these locations. However, their original inclusion on the "hotspots" list is also related to problems with the sewerage system, which have not yet been resolved.
