Determinations in respect of transport managers

14.—(1) In proceedings under the 2010 Act or Regulation 1071/2009 for determining whether a person who is a transport manager is of good repute or professionally competent, the Department must consider whether a finding that the person was no longer of good repute or (as the case may be) professionally competent would constitute a disproportionate response.

(6) If the Department refuses to give a direction under paragraph (5), the person in respect of whom the order has been made may apply to the Upper Tribunal for such a direction.

Transport managers: cancellation or variation of disqualification order

- (b) stating that the person is entitled to make representations under paragraph (5) within 28 days beginning with the date on which the notice is served on the person; and
- (c) stating that the person is entitled to request an inquiry as provided in section 32 of the 2010 Act.

(5) Where a person makes representations under this regulation, the Department must consider the representations in deciding whether to vary the measures specified under paragraph (2).

(6) The Department must hold an inquiry as provided in section 32 of the 2010 Act if the disqualified person requests one under paragraph (4)(c).

(7) A notice shall be deemed for the purposes of paragraph (4) to have been served on a person on the date on which it would have been delivered in the ordinary course of post if it was sent by post addressed to the person at the person's last known address, notwithstanding that the notice was returned as undelivered or was for any other reason not received by the person.

Regulation 15 deals with the cancellation or variation of a disqualification order.

Regulation 16 amends the 2010 Act to include:
